

Marty is a leader in the truest sense of the word: he leads by being out front, with his team, fighting the good fight. His obvious passion for building teams, both professional and volunteer, is second only to his deep passion for growing Scouting wherever he goes. As a member of his team, you know where he stands, you see his vision, and you want to be a part of the future towards which he is guiding the movement.

Christopher T. Hogue  
Field Director – West Division
